ABSITE QUEST

MISSION STATEMENT

ABSITE Quest aims to provide high-yield surgical education to trainees via an engaging & scientifically proven learning platform. Our mission is to encourage daily learning, improve long-term knowledge retention, and ultimately prepare residents for success on the exam & at the bedside.

CURRENT ABSITE PREPARATION

TYPICAL RESIDENT UTILIZATION OF QUESTION BANK & SCORE SUBSCRIPTIONS

SEASONAL

FIGURE 2. Number of daily SCORE sessions. Portal usage has steadily increased from 2013 to 2016. Users' median length of access to the portal is 11.9 minutes/session, suggesting frequent short bursts of activity. The portal is used most between 6 PM and 6 AM, with a peak between 8 and 10 PM. Joshi ART, Salami A, et al: What can SCORE portal usage analytics tell us about how surgical residents learn? *J Surg Edu* 2017, 74(6).

DAILY DELIVERY

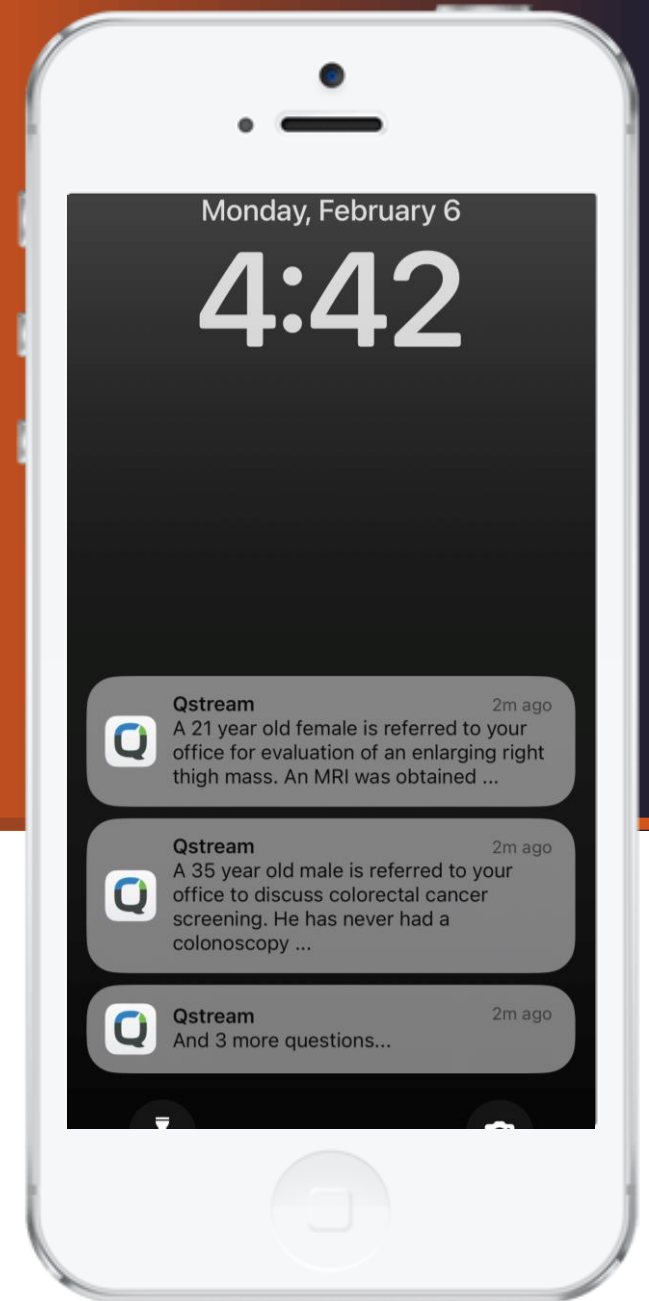

▶▶▶ DIRECT PUSH-NOTIFICATIONS

- EASY CONVENIENT ACCESS TO HIGH-YIELD QUESTIONS
- PROMOTES & MAINTAINS DAILY RESIDENT ENGAGEMENT
- HIGHLIGHTS SCIENTIFICALLY PROVEN STUDY TECHNIQUES

ABSITE Quest has partnered with Qstream to deliver high-yield review questions to surgical trainees. Established in 2008, Qstream is a microlearning pioneer with a commitment to designing and delivering scientifically proven learning programs to its users. Proven now by 22 randomized, peer reviewed clinical trials their system has shown improved long-term knowledge retention up to 170%.

HOW WORKS

TESTING EFFECT

- 5+ high-yield review questions are sent to ABSITE Quest residents each & every day to complete and review. Weekends too, no days off!
- Question stems mimic the difficulty & style of the actual ABSITE exam.
- Detailed answer explanations guide residents through all necessary learning points & provides high-yield review in just minutes each day.

SPACED LEARNING + REPETITION

- Correct answers are repeated in 21 days until correctly answered twice & then “retired” from the resident’s question deck.
- Incorrect answers are spaced to repeat at 8 days until the resident gains proficiency & answers the question correctly twice.
- Residents can access all previously “retired questions” for further review.

WHO DOESN'T LOVE GAMES OR HEALTHY COMPETITION?

Residents earn points each day for every question they attempt plus bonuses for correct answers. Learning is encouraged year-round as residents' complete daily questions, earn points, and work their way up the leaderboard chart.

Weekly e-mails are sent to update residents and programs on their progress compared to peers across the country - and a \$100 monthly prize is awarded to ABSITE Quest's top scorer! Complete & compete!

ABSITE

REVIEW COURSE

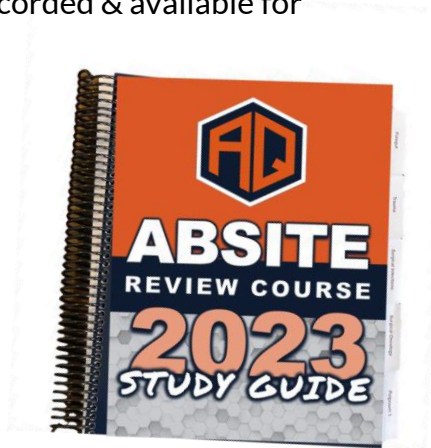

LIVE STREAM

ZOOM WEBINAR JANUARY 11-12TH 2025

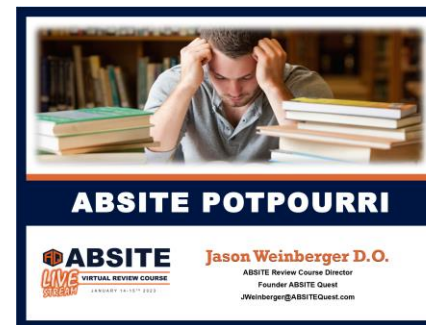

ABSITE Quest is proud to present our 7th annual two-day comprehensive review course in preparation for the 2025 ABSITE. Past course participants have seen an increase of nearly 20% in their percentile score! We will again be conducting the course virtually via a LIVE Zoom webinar (EST), but all lectures will be video recorded & available for registered residents to view afterwards on-demand.

RESIDENT REGISTRATION INCLUDES:

- + Zoom access to live webinar
- + 16+ comprehensive lectures
- + High-yield ABSITE review
- + Test-taking strategy & study tips
- + Video recordings of all lectures
- + Printed study guide prior to course
